

Reassurance Calls

The receptionist on duty will call each Independent resident 7 days a week beginning at approximately 10:00 a.m. Please notify the receptionist each time you will not be home to receive the call.

Any resident who does not wish to receive a daily reassurance call from the receptionist may notify the desk by returning this form checked below. Your name will be placed on a list not to receive the daily call.

All residents are urged to notify the receptionist if, on a particular day, they are leaving home **before the call is to be made** or if they do not wish the call that day for any reason.
