

**THE HOUSE OF THE
GOOD SHEPHERD**
A Continuing Care Retirement Community

Dear Friend:

Thank you for requesting information about The House of the Good Shepherd. We hope that you will find this information useful.

The House was founded in 1882 (yes, 138 years ago!) when a group of Episcopal Churches in the Oranges decided to provide a home for the sick and the needy. In 1965, the House relocated to Hackettstown where a beautiful, non-sectarian retirement community was located along the banks of the Musconetcong River by Stephens State Park.

With cottages, apartments, assisted living, and skilled nursing care, our community provides a variety of services for seniors. If you have not visited, please take the time to do so. We would love to meet you and tell you more about our community. You may also visit us on the web at www.hotgs.org.

To arrange for a tour, please contact Chris Garofalo at 908-684-5722.

Sincerely,

Susan E. Lanza, MHA, LNHA
